Uniform at Mallorca International School

It is mandatory for all students at Mallorca International School to wear uniform and to use the official uniform of the school. This includes both, the standard school uniform as well as the sports kit.

All items described in this document, excluding shoes (sandals, tights, socks, parka, jacket or coat), are understood as the official uniform of the centre. Please note, the items purchased outside the school, must be in line with the specified colours. Although families have the option to purchase some items outside the school, they will also be on sale at Mallorca International School. Items which have been marked with a star are those that can be purchased outside the school.

All students should attend school each day, wearing the correct uniform, according to the regulations of the school.

The garments that make up the official uniform of Mallorca International School can be purchased at the school.
